IT WAS ALMOST LIKE A SONG

You
are cordially invited to share with us
a beautiful song-and use this
1980 Charger annual
as a means to relive the
academic and social highlights
of this school year.
Because we feel that the memories
we have shared in this school year
were "Almost Like a Song..."

Once in every life...

Someone comes along...

And you came to me...

It was almost like a song...

You were in my arms...

Right where you belong...

And we were so in love...

It Was Almost Like a Song...

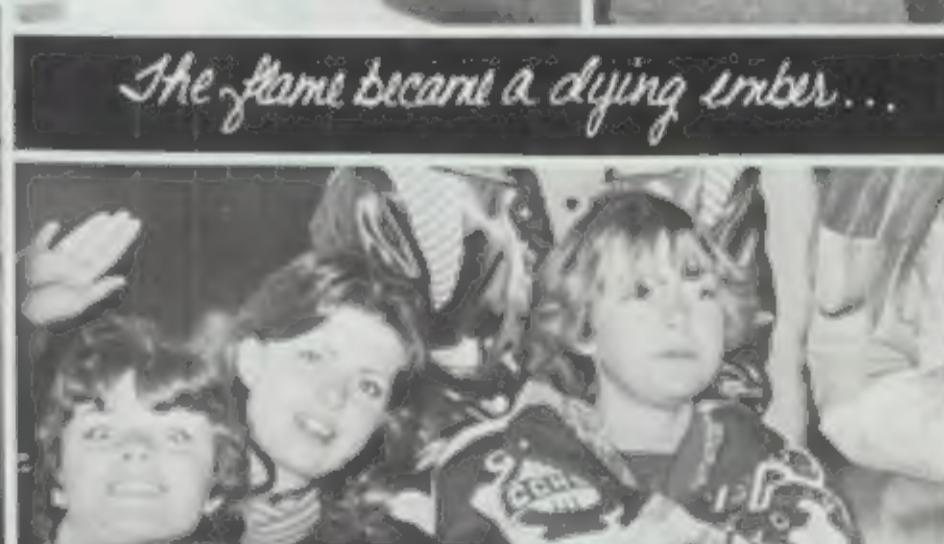

January thru December...

We had such a perfect year...

The flame became a dying ember...

All at once - You weren't here...

STUDENT COUNCIL

"Let The Good Times Roll"

The Student Council of the 1979-80 school year was one of the busiest we've had in a long time.

Headboy, Greg Wise, and Headgirl, Rhonda Bauer, were an outstanding team. They had some great members to help bring the year to a super close.

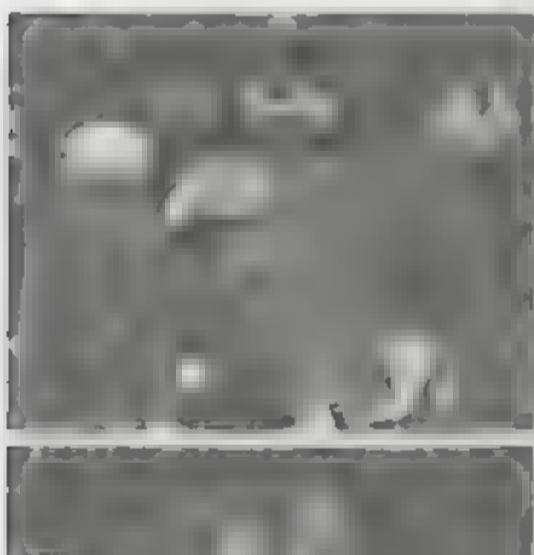

Some of the things accomplished by the Student Council were: The new blue carpet, the Spring Festivities and dance, Y.A.C. Club organized, and a Homecoming Queen with a royal court of Princesses instead of attendents.

It was a super year. Thanks to the students of Crowley County High School!

“JOY TO THE WORLD” CANDLELIGHT CEREMONY

Reverend Roland Teubner

Head Girl Rhonda Bauer and Head Boy Greg Wise

The Unity Candle, which symbolizes the unity of C.C.H.S.

Each Year the C.C.H.S. Student Council holds a Candlelight Ceremony for all students in high school and for those people in the community who wish to participate. A guest speaker is always present every year, and this year Reverend Roland Teubner (retired) from Crowley gave a very interesting and thought-provoking talk. Student Council Head Boy Greg Wise and Head Girl Rhonda Bauer also gave short speeches. The high school choir, under the direction of Mr. Fred Lund, sang several selections and the candles were lit. The lighting of the candles symbolize the unity of all the people present.

CROWLEY COUNTY HIGH SCHOOL

STUDENT COUNCIL

THANKS
SUPPORTERS!!

All hail to you, Crowley County. Here's to the Red
and to the White. Chargers Go. We'll count
you all the way. So, here's to you all. We'll sing
your name forever. Let's sing
with this song for the next Crowley County year...

As editors of the Chargers 2003 annual, we would
like to dedicate a very special song to the school
song.

This song not only represents our school but it
also represents the honor, the pride of all CHS
students in the past school year.

With each breath, we mark the days of our
school days that were once so innocent, so naive,
so simple. We sing a part of our past and
songs for our school that we all know,
but now we'll sing a new one.

As we sing this song, we'll sing this
last year of the 2003-2004 school year
to all the good.

We hope that this song will bring back
memories of our school days and that it
will bring back joy.

Remember, the school song is the one that
we all were taught to sing, the one that
we all know...

So, here's to you all,
the CHS 2003 annual.
